

Intelligent Technologies in Robotics

October 21-23, 2019, Moscow, Russia

Call for Papers

The aim of the International Conference ITR-2019 is to bring together researchers, industry professionals and students from a broad range of disciplines related to robotics, cyber physical system security, block chain technology, internet of things, algorithms and mathematical methods in robotics, and other fields to share the latest developments and discuss the directions for the future research development.

ORGANIZED BY

National Research Nuclear University MEPhI (Moscow Engineering Physics Institute), Ivannikov Institute for System Programming of the Russian Academy of Sciences (ISP RAS), INSA-Rennes (Institut National des Sciences Appliquées de Rennes) and LS2N (Le Laboratoire des Sciences du Numérique de Nantes)

CONFERENCE CO-CHAIRS

Misyurin S.Yu. (MEPhI, Russia)
Arakelian V. (INSA/LS2N, France)
Avetisyan A.I. (ISP RAS, Russia)

SCIENTIFIC COMMITTEE

Misyurin S.Yu. (Russia)
Arakelian V. (France)
Avetisyan A.I. (Russia)
Chablat D. (France)
Kudryashov N.A. (Russia)
Samsonovich A.V. (USA)
Abba G. (France)
Ryabov P.N. (Russia)
Jing-Shan Zhao (China)
Ivanov M.A. (Russia)
Gerzhikov V.S. (Bulgaria)
Durakovskiy A.P. (Russia)
Alvarado M. (Mexico)
Kogos K.G. (Russia)
Ciupitu L. (Romania)
Miloslavskaya N.G. (Russia)
Teterev A. (Belarus)
Alyushin M.V. (Russia)
Gasparyan O. (Armenia)
Chepin E.V. (Russia)
Romanov O. (Belarus)
Cachia E. (Malta)
Kolobashkina L.V. (Russia)

LOCAL ORGANIZING COMMITTEE

Zapechnikov S.V. (Russia)
Epishkina A.V. (Russia)
Chugunkov I.V. (Russia)
Klimov V.V. (Russia)
Rovnyagin M.M. (Russia)
Nikiforov A.Yu. (Russia)
Grigoryan A.A. (Russia)
Zharikov E.S. (Russia)
Nosova N.Yu. (Russia)
Kyazhin S.N. (Russia)
Maksutov A.A. (Russia)

TOPICS

Paper topics include, but are not limited to:

- Robotics
- Cyber Physical systems security
- Algorithms and mathematical methods in robotics
- Intelligent systems
- Design and machining
- Control and dynamics
- Bio-inspired systems
- Internet of things
- Big Data
- RFID-technology
- Block chain
- Trusted software

IMPORTANT DATES

Full-paper submission: **10 July 2019**
(the deadline will NOT be extended)
Notification of acceptance: **24 July 2019**
Final paper submission: **1 August 2019**

SUBMISSION / PROCEEDINGS

Authors are invited to submit a full paper in word-format through the webpage of the conference.

The official language of the conference is English. Each submission will be peer-reviewed. Springer will publish accepted papers in a proceedings book.

REGISTRATION FEE

The registration fee 300€ includes the scientific and social programs of the ITR'2019: admission to technical sessions, coffee breaks, lunches, banquet and conference proceedings.

Doctoral students and scientific committee members are exempt from registration fees. For any paper published in the Proceedings, at least one full registration is required.

Welcome to Moscow

This is a first call for papers for the ITR 2019. Detailed information will be included on the conference website.
